

**Fall Creek Regional Waste District**

**Pool Filling Credit**

**Metered Water Users Only**

Any residential customer that is filling their swimming pool may be eligible for relief from wastewater charges. To receive credit for the water used to fill their pool, the user must request credit, provide the pool dimensions, and certify that the pool does not drain into the District collection system. The amount of relief will equal the water used to fill the pool.

Customer Name: \_\_\_\_\_

Service Address: \_\_\_\_\_

Account Number: \_\_\_\_\_

Dimensions of Pool: \_\_\_\_\_
